### UNAUDITED SALES VOLUME IN JULY 2021

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group (including the sales volume<sup>#</sup> of LYNK & CO-branded vehicles sold by the Group’s 50%-owned joint venture, namely LYNK & CO JV) during the month of July 2021 was 99,275 units, a decrease of approximately 6% from the same period last year and down approximately 1% from June 2021. Of the total sales volume in July 2021, 7,794 units were new energy and electrified vehicles<sup>Note 1</sup> (NEEVs). The Group’s exports volume was up approximately 56% year-on-year to 7,054 units in the month of July 2021. During the month of July 2021, the Group’s total sales volume in the China market was 92,221 units, a decrease of around 8% from the same period last year. The total sales volume in the first seven months of 2021 was 729,512 units, an increase of approximately 15% from the same period last year, achieving 48% of the Group’s full year sales volume target of 1,530,000 units in 2021.

During the month of July 2021, the total sales volumes of sedans, sport utility vehicles (SUVs) and multi-purpose vehicles (MPVs) were 37,829 units, 60,738 units and 708 units, respectively.

**#:** While the total sales volume does not correlate directly to the revenue the Group recognises during a particular period as it includes all sales volume of the Group’s 50%-owned LYNK & CO JV on a 100% consolidated basis, the board of directors of the Company believes it is more indicative of the underlying demand of the Group’s vehicles.

**Note 1:** For clarity, the new energy and electrified vehicles only included the electric vehicles (EVs), hybrid electric vehicles (HEVs), mild hybrid electric vehicles (MHEVs) and plug-in hybrid electric vehicles (PHEVs).

During the same period, the total sales volume of LYNK & CO-branded vehicles was 18,225 units, up around 19% year-on-year.

Save as the sales volume disclosed above, during the month of July 2021, the shipping volume of the Group's exports of LYNK & CO-branded vehicles, namely "01 HEV" and "01 PHEV" to the European market was 1,400 units. The total shipping volume in the first seven months of 2021 was 5,046 units and a total of 495 units of vehicle were delivered to its subscription customers in the European market under its innovative subscription<sup>Note 2</sup> model so far this year.

Please note that the sales volumes disclosed in this announcement are unaudited figures and have not been confirmed by the Company's auditor and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.

*Note 2:* Subscription means that customers use vehicles and ancillary services during the subscription service period through regular payment of vehicle subscription fees, including vehicle insurance, daily maintenance, data services, road assistance, etc..
