**VOLUNTARY ANNOUNCEMENT
SALES VOLUME IN FEBRUARY 2014**

This is a voluntary announcement made by Geely Automobile Holdings Limited (the “**Company**”).

The board of directors of the Company (the “**Board**”) is pleased to announce that the total sales volume of the Group for the month of February 2014 was 21,415 units, a decrease of approximately 32% over the same period last year. For easier comparison, the total sales volume in the first two months of 2014 was 54,850 units, down approximately 42% from the same period last year. As we mentioned previously, the ongoing reshuffle of the sales and marketing system of the Group and the fact that we are still in the traditional slack season for exports sales have contributed to the lower sales volume achieved in February 2014. Also, the Group is in the midst of a major product upgrading cycle and this would affect the Group’s sales in the early part of the year. The Group’s exports volume was 6,829 units in the first two months of 2014, down around 55% from the same period last year. During the first two months of 2014, the Group’s total sales volume in the China market was 48,021 units, a decrease of around 40% from the same period last year.

During the first two months of 2014, the sales volume of the Group’s best selling model “Emgrand EC7” was 19,189 units, a decrease of about 34% from the same period last year. The aggregate sales volume of “GX7” and “SX7”, the Group’s Sport Utility Vehicles (SUVs) reached 5,375 units in the first two months of 2014, a decrease of about 48% from the same period last year. The sales volume of “GC7” was 4,560 units in the first two months of 2014, an increase of around 29% from the same period last year.

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company’s auditors and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.

This announcement is made by the order of the Board, of which the directors individually and jointly accept responsibility for the accuracy of the information contained in this announcement.
