## **UNAUDITED SALES VOLUME IN OCTOBER 2015**

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group for the month of October 2015 was 49,500 units, an increase of approximately 12% over the same period last year and up approximately 17% from September 2015. The Group’s exports volume was substantially down around 75% year-on-year to 1,009 units in October 2015, due to the uncertain political and economic environment in some of its major export markets. The Group’s sales in China in October 2015 continued to maintain its strong momentum, with the total sales volume up around 20% year-on-year to 48,491 units. The overall sales volume in the first ten months of 2015 was 404,863 units, up about 27% from the same period last year and achieving 90% of the full year sales volume target of 450,000 units in 2015.

During the month of October 2015, the combined sales volume of “EC7” and “New Emgrand” was 20,079 units, an increase of about 6% from the same period last year. The aggregate sales volume of “GX7”, “SX7” and “GX9”, the Group’s Sport Utility Vehicles (SUVs), was 4,378 units in the month of October 2015, a decrease of about 33% from the corresponding period last year. The combined sales volume of “Vision” sedan and its new version was 13,736 units in the month of October 2015, more than sixfold increase when compared with the same period last year. The Group’s “Geely GC9” (吉利博瑞), its latest B-segment sedan, achieved another record high with sales volume of 4,979 units in October 2015, an increase of around 21% from previous month.

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company’s auditors and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.
