**Geely Automobile Holdings Limited**  
**SALES VOLUME FOR AUGUST 2014 REACHED 27,676 UNITS**  
**SALES VOLUME DOWN 22% YOY**

(HONG KONG, 10 September 2014) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group") (Stock code: 175) announced that the total sales volume of the Group for the month of August 2014 was 27,676 units, a decrease of approximately 22% over the same period last year, but was up approximately 38% from July 2014. The Group's exports volume was 4,452 units in August 2014, down around 52% from the same period last year, due to deteriorating political environment in the Group's major export countries like Russia, Ukraine and the Middle East. During the month of August 2014, the Group's total sales volume in China market was 23,224 units, a decrease of around 11% from the same period last year. The total sales volume in the first eight months of 2014 was 235,096 units, down about 29% from the same period last year and achieving 55% of the recently revised full year sales volume target of 430,000 units in 2014.

The Spokesman of Geely Automobile said, "During the month of August 2014, the combined sales volume of 'EC7' and the newly launched 'Xindihao' was 10,573 units, a decrease of about 20% over the same period last year, but was up 92% from July 2014 due to the launch of 'Xindihao' at the end of July 2014. The aggregate sales volume of 'GX7' and 'SX7', the Group's Sport Utility Vehicles (SUVs) was 4,575 units in August 2014, a slight increase of about 1% over the same period last year."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
