**SALES VOLUME UP 8% YOY**

(HONG KONG, 7 October 2015) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of September 2015 was 42,158 units, an increase of approximately 8% over the same period last year and up approximately 33% from August 2015. The Group's exports volume was substantially down around 84% year-on-year to 737 units in September 2015, due to the uncertain political and economic environment in some of the Group's major export markets. Despite the sluggish automobile market in China recently, the Group's sales in China in the month of September 2015 continued to maintain its strong momentum, with the total sales volume up around 21% year-on-year to 41,421 units. The overall sales volume in the first nine months of 2015 was 355,363 units, up about 30% from the same period last year and achieving 79% of the full year sales volume target of 450,000 units in 2015.

The Spokesman of Geely Automobile said, "During the month of September 2015, the combined sales volume of 'EC7' and 'New Emgrand' was 16,155 units, a decrease of about 10% from the same period last year. The aggregate sales volume of 'GX7', 'SX7' and 'GX9', the Group's Sport Utility Vehicles (SUVs), was 4,102 units in the month of September 2015, a decrease of about 33% from the corresponding period last year. The combined sales volume of 'Vision' sedan and its new version was 10,925 units in the month of September 2015, more than fivefold increase when compared with the same period last year. The Group's 'Geely GC9', its latest B-segment sedan, achieved another record high with sales volume of 4,130 units in September 2015, an increase of around 17% from previous month."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
