[Press Release]

Geely Automobile Holdings Limited
SALES VOLUME FOR JANUARY 2016 REACHED 60,093 UNITS
SALES VOLUME UP 2% YOY

(HONG KONG, 3 February 2016) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of January 2016 was 60,093 units, an increase of approximately 2% over the same period last year and up approximately 12% from December 2015. The Group's exports volume was down around 48% year-on-year to 2,012 units in January 2016, but was already the best export sales volume since July 2015. The Group's sales in China in January 2016 continued to maintain its strong momentum, with the total sales volume up around 6% year-on-year to 58,081 units, a record high for the Group. Also, the retail sales volume of the Group's dealers in the China market remained very strong at about 60,000 units during the month, one of the highest monthly retail sales volume records amongst the Group's history, reflecting the continued strong underlying demand for the Group's products.

The Spokesman of Geely Automobile said, "During the month of January 2016, the combined sales volume of 'EC7' and 'New Emgrand' was 22,512 units, a decrease of about 8% from the same period last year. The aggregate sales volume of 'GX7', 'SX7' and 'GX9', the Group's Sport Utility Vehicles (SUVs), was 4,949 units in the month of January 2016, a decrease of about 35% from the corresponding period last year. The combined sales volume of 'Kingkong' sedan and its new version was 10,575 units in the month of January 2016, up about 106% year-on-year. The combined sales volume of 'Vision' sedan and its new version was 14,646 units in the month of January 2016, up about 26% year-on-year. The Group's 'Geely GC9', its latest B-segment sedan, achieved another record high with sales volume of 6,001 units in January 2016, an increase of around 9% from previous month."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
