(HONG KONG, 8 January 2018) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group") (Stock code: 175) announced that the total sales volume of the Group for the month of December 2017 reached another record high level of 153,625 units, an increase of approximately 42% over the same period last year and up around 9% from November 2017. The Group's exports volume was down around 76% year-on-year to 329 units in the month of December 2017. During the month of December 2017, the Group's total sales volume in the China market was 153,296 units (including the sales volume of LYNK & CO-branded vehicles sold by the Group's 50%-owned joint venture), an increase of around 43% from the same period last year. The total sales volume for 2017 was 1,247,116 units, an increase of approximately 63% from the same period last year, and exceeding the Group's revised full year sales volume target of 1,100,000 units in 2017.

The Spokesman of Geely Automobile said, "During the month of December 2017, the sales volume of 'New Emgrand' and 'Vision' sedan weres 25,074 units and 14,524 units, respectively. During the month of December 2017, all the Group's four new models launched in 2016 maintained high levels of sales volumes, three of which reached record high monthly sales volume during the month: The "Geely Boyue" (吉利博越) recorded a sales volume of 31,205 units; the "Emgrand GS" (帝豪GS), its first crossover SUV model, recorded a sales volume of 18,850 units; whereas the "Emgrand GL" (帝豪GL), its new generation of A+ segment sedan model, recorded a sales volume of 14,088 units. The "Vision SUV" (遠景SUV), its new SUV model, recorded a sales volume of 14,610 units."

Furthur, during the month of December 2017, the sales volumes of "LYNK & CO 01" was 6,012 units. So far, the sales order for "LYNK & CO 01" has been better than the management's expectations.

The Group set the sales volume target for the year of 2018 at 1,580,000 units (including the sales volume target of LYNK & CO-branded vehicles), representing an increase of around 27% over 2017.

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
