

**Geely Automobile Holdings Limited**  
**SALES VOLUME UP 145% YOY, AND ACHIEVING RECORD HIGH IN NOVEMBER 2009**

(HONG KONG, 9 December 2009)--- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that total sales volume of the Group's five 91%-owned subsidiaries was 35,467 units in November 2009, up 145% over the same period last year and up 22% from October 2009. The monthly sales volume in November 2009 was the best level achieved by the Group in its history. For the first eleven months of 2009, the total sales volume of the Group's five 91%-owned subsidiaries was 281,967 units, up 54% over the same period last year, and exceeding the five subsidiaries' total target sales volume of 250,000 units for 2009.

The spokesman of Geely Automobile said, "The total sales volume achieved by the Group's five operating subsidiaries during the month was very encouraging and exceeded the management's expectations, thanks to the continued strong domestic sales momentum. During the month, the sales volume for "Free Cruiser", "Geely Kingkong" and "Vision" were 11,266 units, 8,186 units and 6,288 units respectively. Also, sign of recovery was seen in the Group's export sales during November 2009 with total export sales volume during the month reaching almost 4,000 units, the Group's highest monthly export sales volume since the outbreak of the global financial market crisis in October last year."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released so far are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are still preliminary figures and would be subject to changes and final confirmation.
